10621 Broad River Road, Irmo, South	)	REQUEST TO
Carolina 29063 (District 2) for a Rate	)	COMPLETE
Increase	)	INVESTIGATION AND
	)	AUDIT

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the South Carolina Office of Regulatory Staff (ORS) to postpone action in the processing of tariff revisions on the Application of Minute Man Movers, LLC (Minute Man or the Company). On August 7, 2008, Minute Man filed its application with the Commission seeking approval to amend the Company's schedule of charges presently on file with the Commission.

By letter filed on August 14, 2008, the ORS requests postponement of the Commission's ruling on the application of Minute Man for an increase in certain rates and charges to the Company's existing tariff to give ORS an opportunity to perform an audit and impact study regarding Minute Man's application. If the Commission approves ORS' request, ORS states that upon completion of the audit ORS will advise the Commission of the results of their study and their position in this proceeding.

We have examined this matter and agree that holding Minute Man's application over for a brief time so that the ORS can investigate the application is in the public interest. Further, we determine that granting the ORS until September 30, 2008, is

sufficient time for the ORS to investigate this application, since the application was filed with the Commission on August 7, 2008. The ORS should complete its investigation and make a recommendation concerning disposition of this matter as soon as possible, but no later than September 30, 2008.

This Order shall remain in full force and effect until further Order of the Commission.
